OFFICE OF LEGISLATIVE COUNSEL

Saturday - 16 February 1963

1. (Internal Use Only - JSW) Messrs. Echols, [] and Warner STAT
met with Donald Smith, Bureau of the Budget, for several hours to review
certain suggestions by the Bureau of the Budget with respect to changes in
our proposed early retirement legislation. Several minor matters were
agreed to and one proposal by BOB we dissented on and Mr. Smith indicated
that this had not been a strong point in any event and he thought he could
handle it in BOB. It was agreed that we would review all of the changes
carefully and be in contact on Monday with a view that there could be final
agreement on all changes at which point BOB could clear the legislation
in a letter merely referring to changes agreed on at the staff level. Smith
did, however, indicate that BOB would continue to ask for clearance on the
regulations and would want the Agency to agree in principle to participating
in one over-all retirement system if this were to come about. We agreed
that this posed no problems.
